About This Directory

The University of Pittsburgh Departmental Listings are available online at find.pitt.edu. The PDF file can be searched, downloaded, or printed. The file contains a table of contents and bookmarks to enable you to quickly scroll through the alphabetized listings to find the information you seek.

How to Read a Departmental Listing

All inner-system calls to and from 624, 648, and 383 exchanges can be dialed using the five-digit extension or the last five numbers of the full telephone number.

Departmental listings may be cross-referenced. For example, in addition to being included in the "Computing Services & Systems Development (CSSD)," entry, a separate listing is given for the "Technology Help Desk."

For questions or assistance about the online departmental listings, please contact the Technology Help Desk at 412-624-HELP [4357] or visit technology.pitt.edu.
